

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Ventura Investment Management Ltd

Conclusion

We have reviewed the Annual Investor Statements prepared by Ventura Investment Management Ltd (the 'Responsible Entity') for the members of Ventura Managed Account Portfolios (the 'Members').

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the Annual Investor Statements for the year ended 30 June 2024 (the 'Investor Statements') given to the Members of Ventura Managed Account Portfolios as presented or prepared by Ventura Investment Management Ltd are materially misstated or are not presented in accordance with the specified basis of preparation.

The Investor Statements comprise for each member:

- a statement of the quantity and value of assets and liabilities held by the member through the Ventura Managed Account Portfolios as at 30 June 2024;
- the corresponding revenue and expenses of the member for the year ended on that date; and
- the Directors' assertions about the controls over the Annual Investor Statements, which are included in the Directors' Declaration.

Emphasis of matter - basis of preparation and restriction on use and distribution

We draw attention to the specified basis of preparation in the Investor Statements. The Investor Statements have been prepared by the Responsible Entity to comply with the requirements of the Australian Securities and Investments Commission Class Order 13/762 Investor Directed Portfolio Services provided through a registered managed investment scheme, (the Class Order). As a result, the Investor Statements may not be suitable for another purpose.

Our report is intended solely for the Directors of the Responsible Entity, the Members and the Australian Securities and Investments Commission and should not be used by or distributed to any other parties. We disclaim any assumption of responsibility for any reliance on this Auditor's Report, or on the Investor Statements to which it relates, to any person other than the Directors of the Responsible Entity, the Members and the Australian Securities and Investments Commission. Our conclusion is not modified in respect of this matter.

A review of the Annual Investor Statements consists of making enquiries, primarily of the Responsible Entity's personnel responsible for the Annual Investor Statements, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
